

WIN-WIN SCENARIO

How do you WIN with VetComm?

- You can reach millions of Veterans with your offer or messaging
- You can be part of a movement that helps put Billions per month into the economy!
- VetComm will ensure that we cross promote your organization, personal brand, or charity
- Together we can help over a million households find closure, support and education
- You can make huge wins financially for your charity, business or personal brand!

WHAT DO WE NEED?

A reciprocal link and video message. We will respond in kind!

WHAT DO YOU GET?

Visibility within our community, good will and possibly donations!

REACH US AT:

PARTNERS@VETCOMM.US

CHARITY PARTNERS

If we select your charity to partner with, we will be giving our VetComm vets the choice in who they choose their "in your name donation" to go to.

It is in your benefit to get us a great video message about your organization as well as a reach out video to them inviting them to choose you!

We will not be choosing any charity partners to make the donation list that do not participate with us.

See the attached requirements

If selected we will let you know by email within 30 days.
